Appeal To Stick To The Basics!

With Easter just around the corner, our annual tradition of giving Easter Eggs to every adult and child receiving food will

be met with the generous donations that have already started coming in and that are planned.

However, our most pressing need remains the staple food items. While Easter Eggs bring joy, it's the basics that make a real difference in the daily lives of families relying on our support. If you're planning to contribute, please prioritise essential food products to help us meet client's needs.

Your Support IS Key!
